

WASTE COLLECTION and DISPOSAL AGREEMENT

This Agreement is made and entered into this ^{7th} 29 day of ~~December~~, 2014, by and between the City of Tifton, hereinafter referred to as "Owner" and Golden Environmental, LLC hereinafter referred to as "Contractor."

WITNESSETH:

WHEREAS, the Owner published a request for proposals (RFP) to collect and dispose of residential, commercial and light commercial municipal solid waste for the City of Tifton (hereinafter the "Service Area");

WHEREAS, Contractor responded to said RFP and was later selected to be the service Contractor;

WHEREAS, the Contractor understands that it must comply with all terms of this Agreement which includes the disposal of all waste collected under this agreement at the Tifton/Tift County Landfill and the Tifton/Tift County Inert Landfill (hereinafter "Landfill");

NOW, THEREFORE, in consideration of the mutual agreements contained herein, the adequacy of which are hereby acknowledged by the parties, it is hereby agreed as follows:

1. DEFINITIONS

As used herein, the following terms shall have the following definitions:

(a) ACCEPTABLE SOLID WASTE:

Any and all solid waste which the Landfill is authorized to accept for disposal pursuant to its permits and licenses and are not materials prohibited from disposal in the Landfill pursuant to the Rules of Georgia Department of Natural Resources Environmental Protection Division Chapter 391-3-4.

(b) ANIMAL CARCASS:

A deceased animal or portion thereof greater than ten pounds in weight that has expired from any cause except those slaughtered or killed for human use.

(c) APPROVED CONTAINERS:

a. 90 to 100-gallon carts utilized for the collection of solid waste and recyclable materials from Residential Premises, Multiple Residential Units and Light Commercial Units;

b. four (4), six (6) and eight (8) yard dumpsters; and twenty (20), thirty (30), and forty (40) yard roll offs utilized by Multiple Residential Units and Commercial Units.

(d) BULK CONTAINER

"Bulk Container" shall mean four (4), six (6) and eight (8) yard dumpsters; and twenty (20), thirty (30), and forty (40) yard roll offs made of watertight construction with doors opening on top and constructed so that it can be emptied mechanically by a specially equipped truck. Containers shall be kept covered at

all times. All new bulk containers shall meet these specifications.

- (e) **BULKY WASTE:**
White goods, appliances, furniture and other materials with weights or volumes greater than those capable of being placed in Approved Containers, not to include construction demolition waste.
- (f) **COMMERCIAL UNIT:**
A business unit within the Service Area that uses four (4), six (6) and eight (8) yard dumpsters; and twenty (20), thirty (30), and forty (40) yard roll offs.
- (g) **COMMERCIAL/ INDUSTRIAL WASTE**
“Commercial waste” means food waste including accumulations of animal or vegetable matter used or intended for use as food, or that attends the preparation, use, cooking, dealing in or storing of meat, fish, fowl, fruit or vegetables produced by any commercial unit, any accumulation of dust, paper, glass, cans, wood, crockery, metals, dunnage, dust, sweepings, rags, cardboard or other accumulations, which are usually attendant to the operation of stores, offices and similar businesses. “Industrial waste means all waste, including solids, semisolids, sludges, and liquids, created by factories, processing plants or other manufacturing enterprises.
- (h) **CONSTRUCTION AND DEMOLITION DEBRIS:**
Waste building materials resulting from construction, remodeling, repair or demolition operations either residentially or commercially.
- (i) **DISABLED HOUSEHOLD**
A Residential Unit in which there is no one physically capable of placing Domestic Waste for collection at a location described in section 7.8 of this agreement, and which has registered with the Contractor on a form prescribed by the Contractor as a Disabled Household. Medical proof of disability may be required before this service may be provided.
- (j) **ENVIRONMENTAL LAWS:**
All applicable laws, directives, rules, ordinances, codes, guidelines, regulations, governmental, administrative or judicial orders or decrees or other legal requirements of any kind, including, without limitation, common law, whether currently in existence or hereafter promulgated, enacted, adopted or amended, relating to safety, preservation, or protection of human health and the environment (including, without limitation, ambient air, surface water, groundwater, land or subsurface strata) and/or relating to the handling, treatment, transportation or disposal of waste, substances or materials, including, without limitation, any matters related to Releases and threatened Releases of materials and substances.

- (k) **HAZARDOUS WASTE:**
Any chemical, compound, mixture, substance or article which is now or later may be designated by the United States Environment Protection Agency or appropriate agency of the State to be "hazardous waste" as that term is defined by or pursuant to Federal or State law or regulation.
- (l) **INDUSTRIAL WASTE:**
"Industrial waste means all waste, including solids, semisolids, sludges, and liquids, created by factories, processing plants or other manufacturing enterprises.
- (m) **LANDFILL:**
"Landfill" shall mean the Tifton/Tift County Landfill and the Tifton/Tift County Inert Landfill (hereinafter "Landfill") operated by the Owner.
- (n) **LIGHT COMMERCIAL UNIT:**
A business unit within the Service Area which uses an approved 90 – 100 gallon cart as defined herein.
- (o) **MULTIPLE RESIDENTIAL UNIT**
"Multiple Residential Unit" is any apartment, group of apartments, condominiums, townhouses or similar multiple-family unit used for dwelling places having more than five (5) units, mobile homes, or dwellings, designed or used either wholly or in part for private residential purposes.
- (p) **RECYCLABLE MATERIALS**
"Recyclable Materials" means those materials that have known use, reuse or recycling potential and can be feasibly used, reused or recycled.
- (q) **REFUSE:**
Domestic waste generated at a residential unit, light commercial unit or commercial unit unless the context otherwise requires.
- (r) **RELEASE:**
Any release, spill, emission, leaking, pumping, injection, deposit, disposal, discharge, dispersal, leaching or migration into the indoor or outdoor environment, including, without limitation, the movement of Hazardous Materials through the ambient air, soil, subsurface, water, groundwater, wetlands, lands or subsurface strata.
- (s) **RESIDENTIAL PREMISES:**
"Residential premises" shall mean any dwelling, house, residence, building or other structure, including single family homes, duplexes, triplexes, quadraplexes and mobile homes, but excluding multi-family housing such as condominiums, mobile home parks, and apartments having more than five (5) units, mobile homes, or dwellings, designed or used either wholly or in

part for private residential purposes, whether inhabited or temporarily or continuously uninhabited or vacant.

(t) RESIDENTIAL SOLID WASTE

“Residential Solid Waste” means garbage, rubbish and trash as is ordinarily generated at a residence or light commercial establishment. By way of example, such waste includes, but is not limited to, waste accumulated from the preparation, processing, consumption, handling, packing, canning, storage and decay of food products, food containers and other consumer goods containers, waste wood, paper, plant, crockery, cloth, glass, small appliances, such as, fans, toasters, lamps, small chairs, packing materials, floor sweepings, and deceased animal matter of less than 10 pounds.

(u) RESIDENTIAL UNIT

Any dwelling occupied by a person or group of persons. Each unit of an apartment, condominium or multi-family dwelling of any kind, whether of single or multi-level construction, shall be treated as a Residential Unit.

(v) SERVICE AREA

The Service Area shall mean areas within the City of Tifton.

(w) SPECIAL SERVICES:

A “special services” are those services that are not required to be provided by the Contractor under the terms of this Agreement. Contractor may provide special services to Subscribers on terms negotiated and agreed upon between the parties. However, when special services are being offered to any group of Subscribers, Contractor must notify in writing Owners of the intent to provide these services, the nature of said services and affirm that those services shall be available to all residents based on the same terms submitted to Owner for review and approval. Subscribers may negotiate with any third party for the provision of special services within the City of Tifton. These services may include but are not limited to:

- (i) removal of yard waste exceeding mandatory pick-up requirements under this contract. (See 3.2(d)).
- (ii) Commercial/Multiple Residential recycling (See 3.2 (g)).

(x) UNACCEPTABLE SOLID WASTE:

Any and all solid waste which the Landfill is not authorized to accept for disposal pursuant to its permits and licenses, including, without limitation, highly flammable substances, Hazardous Materials, Hazardous Waste, certain pathological and biological wastes, explosives, radioactive materials, recycled waste and materials prohibited from disposal in the Landfill pursuant to the Rules of Georgia Department of Natural Resources Environmental Protection Division Chapter 391-3-4.

Handwritten signatures in black ink, appearing to be initials or names, located in the bottom right corner of the page.

Title to waste material which is by definition Unacceptable Solid Waste shall remain with the generator of said waste and shall not be deemed to pass to OWNER at any time, even if improperly disposed of in Owner's landfill. Acceptable solid waste shall become property of Owner once legally and property disposed in the landfill.

(y) YARD WASTE

“Yard Waste” means vegetative matter resulting from landscaping maintenance and includes lawn, grass or shrubbery clippings, leaves, straw, tree branches, limbs and trunks.

2. TERM OF AGREEMENT

This Agreement shall be binding on all parties for a period of five (5) years beginning January 1, 2015, and ending January 1, 2020 (the "Term"). Upon the mutual agreement of the parties, this Agreement may be renewed for additional terms of single or multiple years. Prior to the end of the Term of this Agreement, the parties may enter into negotiations to establish acceptable terms for a new agreement or to extend this Agreement. Negotiations shall be completed no later than One Hundred Twenty (120) days prior to the end of the Term, and any new agreement or extension must be approved by the City of Tifton in an open meeting and then executed in writing before any such agreement shall be binding on the parties. This Agreement is subject to the multi-year provisions of O.C.G.A. § 36-60-13 and therefore, will automatically renew each annual period unless either party terminates the Agreement consistent with the provisions of this contract.

3. SERVICES

3.1 General Summary

The services to be provided by the Contractor shall be for the City of Tifton. After collecting each unit, Contractor shall return containers to their normal positions, replace or properly handle trashcan covers, and be responsible for cleaning spills by its employees or in any way caused by its actions. Contractor shall not block or impair access to driveways or mailboxes. Residential Solid Waste placed for collection by Residential Units and Light Commercial Units shall be placed in Approved Containers as defined herein.

3.2 Specific Services

(a) Collection Solid Waste/ Residential Premises and Light Commercial Units

The Contractor shall collect Residential Solid Waste from all Residential Units upon a Residential Premises and Light Commercial Units one (1) time per week at a location described in section 7.8 of this agreement in Approved Carts. The Subscriber shall place only Residential Solid Waste in the Cart and in the proper location described in section 7.8 of this agreement no later than 7:00 a.m. on the designated collection day. Contractor shall not be responsible for the collection of

Residential Solid Waste not placed in a Cart, from any Cart not in the proper location described in section 7.8 of this agreement, or waste other than Residential Solid Waste, unless otherwise provided for in this Agreement.

The Contractor shall dispose of all Residential Solid Waste at the Landfill and shall be responsible for the payment of all fees associated with disposal. The Contractor shall be acting under contract with and on behalf of Owner. In connection with this Agreement, Contractor shall pay those tipping fees set forth in Addendum B.

(b) Collection Solid Waste/ Multiple Residential Units

Multiple Residential Units may utilize solid waste carts or bulk containers for the collection of and disposal of Residential Solid Waste; provided, however, upon determination by the city manager, or his designee, that the volume of garbage, household trash, or solid waste generated upon such premises cannot be adequately serviced by solid waste carts, then he shall be entitled to require that such premises be serviced by bulk containers rather than solid waste carts. In the event Multiple Residential Units utilize individual solid waste carts for each Residential Unit, the Contractor shall collect the solid waste carts one (1) time per week at the residential monthly cart rate. The Subscriber shall place only Residential Solid Waste in the Cart and in the proper location described in section 7.8 of this agreement no later than 7:00 a.m. on the designated collection day. Contractor shall not be responsible for the collection of Residential Solid Waste not placed in a Cart, from any Cart not in the proper location described in section 7.8 of this agreement, or waste other than Residential Solid Waste, unless otherwise provided for in this Agreement.

The Manager or Landlord of Multiple Residential Units shall arrange with the Contractor for the collection, disposal, fees and billing associated with the utilization of bulk containers. Multiple Residential Units utilizing bulk containers shall schedule collection intervals with the Contractor at the times and rates for Commercial Units as set forth in Addendum A. The Subscriber shall place only Residential Solid Waste in the bulk container.

(c) Collection of Bulky Waste

The Contractor shall collect Bulky Waste every other week from Subscribers on Contractor's scheduled collection days at the locations described in section 7.8 of this agreement. Items shall be placed at said locations by 7:00 a.m. on the designated collection day. Contractor shall be responsible for the proper disposal of all Bulky Items.

12/25/11
[Signature]

(d) Collection of Yard Waste

Contractor shall collect Yard Waste from Subscribers on Contractor's scheduled collection days at locations described in section 7.8 of this agreement. Contractor shall provide the collection of Yard Waste on an every other week basis. Yard Waste material shall be placed at said locations by 7:00 a.m. on the designated collection day and shall not be placed in 90 to 100 gallon carts. Yard Waste shall be stacked or bundled. Trees and stumps shall not exceed 6" in diameter, and cannot exceed 6 feet in length. Yard Waste material shall not exceed 5 cubic yards per collection. The Contractor shall be responsible for the proper disposal of all Yard Waste material at the Tifton/Tift County Inert Landfill. Trees and stumps that exceed 6" in diameter shall be considered a special service that is not included under the Agreement. The Contractor may negotiate with the Subscriber for the hauling and disposal of such items as a "special service" at a price negotiated and agreed upon by both parties. (See 1(w) above). To the extent the Contractor deviates from this provision of the Agreement and charges Subscribers for the disposal of yard waste otherwise covered under this Agreement, Contractor shall be subject to sanctions suitable for the infraction as determined by Owner including termination of this Agreement.

(e) Commercial/Industrial Waste:

Contractor will provide collection of commercial and industrial waste for all incorporated light commercial and commercial customers currently serviced by the Owner. Contractor shall collect commercial/industrial waste from apartments, schools, institutional organizations, small businesses, manufacturing concerns, etc. This aspect of the work will be driven by customer demand, but generally may provide for the use of; solid waste carts, four (4), six (6) and eight (8) yard dumpsters; and twenty (20), thirty (30), and forty (40) yard roll offs.

The contractor will service any incorporated commercial container currently owned by the subscriber for the price listed in Addendum A. However, any new commercial account will obtain an approved container from the Contractor. Furthermore, as privately owned containers become unusable any and all new containers will be obtained from the contractor. **Disposal containers that have contents which decay or otherwise create odor shall be managed in a way so as not to create a persistent odor or unsanitary condition.**

(f) Residential Recycling

The Contractor shall collect recyclable materials from Residential Units utilizing solid waste carts every other week from a 90 gallon recycling container supplied by Contractor at the locations described in section 7.8 of this agreement. Contractor shall be responsible for the disposal of recyclable waste through agreements negotiated between third party recycling agents. Contractor shall

provide Owner with a monthly report that calculates the total amount of recyclables delivered to each third party vendor.

(g) Multiple Residential/Commercial Recycling

Recycling for Commercial Units, Light Commercial Units and Multiple Residential Units utilizing bulk containers shall be provided as a special service, negotiated between Subscriber and Contractor at the rates set forth in Addendum A.

Recyclables properly placed in an approved recycling collection container shall not be disposed of in the Landfill.

(h) Carts

Contractor shall furnish one (1) 90 – 100 gallon cart to every Subscriber utilizing solid waste carts and one (1) 90 – 100 gallon cart for residential recycling. Carts shall remain the Property of the Contractor. It shall be the responsibility of the Subscriber to properly use and safeguard the Carts. Contractor shall maintain carts in a reasonably good condition. Contractor shall provide carts for new customers and replacement of broken, damaged, or stolen carts. Contractor shall have the right to charge Subscribers for the cost of repair or replacement of Carts, if such repair or replacement is required as a result of Subscriber's excessive abuse, gross neglect or intentional damage, or due to fire. Carts shall be of the same color and style. The color shall be selected or agreed upon by the Owner.

Subscribers may request from Contractor one additional solid waste cart and one additional recyclable cart for the approved contract price of (\$5.00) each for an additional volume of solid waste and recyclables. The additional can price agreed upon herein, by the Owner and the Contractor shall not increase unless agreed to by both parties.

(i) Community Dumpsters

Contractor will provide collection for residential, light commercial and commercial/industrial waste from residents, apartments, small businesses, manufacturing concerns, etc., deposited in community dumpsters pursuant to City of Tifton Ordinance Number 2006-26. Contractor fees for the collection of community dumpsters shall be based on residential or commercial rates and the classification of the users as a light, medium or heavy user. However, in no event shall the subscriber fees exceed the rates currently charged by the City of Tifton for the next three years. The Contractor shall designate new subscribers as light, medium or heavy users.

(j) Downtown Sidewalk Waste Receptacles

Contractor shall collect and dispose of waste in receptacles located on the city streets in the Downtown Commercial Zoning Districts at a minimum of once per week.

(k) Special Events

Contractor shall provide roll-off containers to the Owner for special events sponsored by the City of Tifton and the City of Tifton shall be responsible for the payment of Landfill tipping fees.

4. CONTRACTOR'S DELIVERY OF WASTE

4.1 Delivery of Acceptable Solid Waste to the Landfill:

So long as this Agreement is in effect, Contractor shall deliver Acceptable Solid Waste collected in its Hauling Business to the Landfill. Contractor agrees that it shall not deliver any Unacceptable Solid Waste to the Landfill. Contractor shall promptly notify Owners of any information it obtains indicating that Unacceptable Solid Waste was delivered to the Landfill. If a delivery of solid waste is made which contains both Acceptable Solid Waste and Unacceptable Solid Waste, the entire delivery may, at Owners's option, constitute Unacceptable Solid Waste if the Unacceptable Solid Waste cannot be separated from the Acceptable Solid Waste through the reasonable efforts of Owners, as Contractor's agent to cause such separation, the cost of such separation to be paid by Contractor.

Failure to deliver any contracted waste under this Agreement collected within the service area to the Landfill shall be immediate grounds for sanctions as determined by Owner including termination of this Agreement.

4.2 Delivery of Acceptable Yard Waste to the Inert Landfill:

So long as this Agreement is in effect, Contractor shall deliver Acceptable Yard Waste collected in its Hauling Business to the Tifton/Tift County Inert Landfill. Failure to deliver any contracted yard waste under this Agreement collected within the service area to the Inert Landfill shall be immediate grounds for sanctions as determined by Owner including termination of this Agreement.

4.3 Authorizations; Compliance with Law:

The Contractor shall obtain at its own expense all permits and licenses required by applicable law or ordinance and maintain same in full force and effect. The Contractor shall promptly pay all taxes required by local, state and federal laws. Contractor shall make available, as the case may be, all permits, licenses, authorizations, notifications, approvals, certificates or other similar documents or actions in connection with the transportation, shipment or delivery of waste

contemplated hereby, whether Acceptable Solid Waste or Unacceptable Solid Waste. Contractor's activities hereunder shall comply in all material respects with all applicable federal, state and local governmental laws, regulations, ordinances, licenses, permits, orders, directives and rules relating to the collection and transportation of solid waste; provided, however, that the terms of this Agreement shall govern the obligations of the Contractor where conflicting ordinances exist.

4.4 Waste Delivery Vehicles:

Contractor shall deliver Acceptable Solid Waste to the Landfill at its expense, in enclosed container vehicles or enclosed compactor vehicles with leak resistant bodies complying in all material respects with all applicable regulations or procedures which are required by any governmental entity, including, but not limited to, any local rules and the permits pertaining to the Landfill.

5. OWNERS'S MANAGEMENT OF WASTE

5.1 Landfill Operations Generally:

Contractor understands that the Landfill is owned jointly by the City of Tifton and Tift County and is operated as a department known as "Tifton/Tift County Solid Waste Collection and Disposal". Although the Owners are the contracting authority for this Agreement, the day to day management of this contract, as well as Contractor's relationship with the Landfill, shall be managed through this department and its department head or his or her designee.

Throughout the Term of this Agreement, Owners agrees to:

- a. Provide equipment, material and personnel sufficient to accept Contractor's solid waste at the Landfill; and,
- b. Keep the Landfill open for receiving waste based on the following schedule:

7:00 a.m. to 5:00 p.m Monday through Friday

8:00 a.m. to 12:00 p.m. on Saturday

7:00 a.m. to 2:00 p.m. on all holidays referenced herein except Thanksgiving Day and Christmas Day, as the landfill will be closed on these holidays

5.2 Procedures:

The management and disposal of acceptable solid waste at the Landfill shall be regulated by procedures applicable generally to customers utilizing the Landfill reasonably determined by Owners, through the Landfill management, and provided to Contractor in writing or posted at the Landfill. Owners may modify such prodecures from time to time and shall provide prompt notice of any such modification to the Contractor.

5.3 Acceptance of Acceptable Solid Waste:

During the Term of this Agreement, Owners shall accept Acceptable Solid Waste that Contractor delivers in accordance with the terms of this Agreement. Owners shall have the right in its reasonable discretion to reject delivery of any solid waste offered for acceptance by Contractor that does not constitute Acceptable Solid Waste.

5.4 Rejection of Unacceptable Solid Waste:

If Contractor delivers Unacceptable Solid Waste to the Landfill, Owners may:

- a. Reject acceptance of such Unacceptable Solid Waste at Contractor's expense, or
- b. If Owners do not discover such Unacceptable Solid Waste in time to reject and reload such Unacceptable Solid Waste, after giving Contractor telephonic notice thereof, the Contractor shall immediately dispose of such Unacceptable Solid Waste. Owners may remove such Unacceptable Solid Waste to a location or facility fully authorized to accept such type of waste in accordance with all applicable federal, state and local laws and regulations and charge Contractor all reasonable direct costs incurred due to delivery of such Unacceptable Waste, unless Contractor has, to the satisfaction of Owner, made provisions for the immediate removal of such waste. If, after electing to do so, Contractor does not arrange for the immediate removal of the Unacceptable Solid Waste, Owners may so arrange as Contractor's agent, without further notice to Contractor, and at Contractor's expense. Notwithstanding the foregoing, no notice to Contractor shall be required to manage Unacceptable Solid Waste as Contractor's agent in emergency situations where in the reasonable, good faith judgment of Owners a delay in such management would constitute a hazard to the Landfill, or any person on, about or near the premises. Owners will use reasonable efforts to provide telephone notice to Contractor that such emergency disposal will occur.

6. METHOD OF CONTACT

All dealings, contacts, etc., between the Contractor and the Owners shall be directed to the Owners City Manager or his designee. The Contractor shall designate its contact in writing to the Owners.

7. COLLECTION HOURS AND DAYS OF OPERATION

7.1 Hours of Operation

Collection of Residential Solid Waste shall not start before 7:00 a.m., shall conclude collection by sunset as recorded by the National Oceanic and Atmospheric Administration and shall be conducted on weekdays only; except in the event of holidays or unavoidable equipment issues which prevent compliance with this provision on a short term basis. Collection of Commercial Units and

Multiple Residential Units utilizing bulk containers shall not be collected prior to 7 a.m. in residential and residential/professional zoning districts.

7.2 Collection Routes

Residential collection routes shall be established by the Contractor and provided to Owners. Contractor will provide each resident with an information packet approved by Owners, which clearly describes how to participate in the residential waste collection program, service inquiry procedures, regulations and days of collection with all pertinent information included.

Commercial/industrial routes shall be established by the Contractor and provided to Owners. Contractor will provide each Subscriber with an information packet approved by Owners, which clearly describes how to participate in the residential waste collection program, with all pertinent information included.

There shall be no changes in routes that are not first approved by Owners. Notice shall also be given to the Owners in writing, said notice to be provided no later than two weeks prior to the change of routes. Owners shall not unreasonably delay their approval of the same and approval shall be liberally granted in the absence of material concerns over service delivery. Anytime there is an approved route change, day of collection change, or other change that will impact customers, the Contractor shall utilize newspaper notices and cart hangars to notify Subscribers.

7.3 Holidays

Contractor shall observe the following holidays:

THANKSGIVING
CHRISTMAS DAY

Contractor may observe the following holidays:

NEW YEARS DAY
MARTIN LUTHER KING'S BIRTHDAY (3RD MONDAY IN JANUARY)
GOOD FRIDAY
MEMORIAL DAY
INDEPENDENCE DAY
LABOR DAY (1ST MONDAY IN SEPTEMBER)
CHRISTMAS EVE

In the event that the Landfill is closed in observance of holidays not provided herein, Landfill shall give two weeks' notice of said closure to Contractor and Contractor may correspondingly observe said day as a holiday. The observance of any or all of the above holidays may be accompanied by the suspension of collection services on that holiday, provided, however, the Contractor shall cause

the collection of solid waste, bulky items, yard waste or recyclables on the day following the holiday for those Subscribers whose collection day falls on the observed holiday.

7.4 Complaints

All subscriber complaints about services shall be made directly to the Contractor and shall be given prompt and courteous attention. In the case of alleged missed scheduled collection, the Contractor shall investigate and, if such allegations are confirmed, shall arrange for the collection of the Residential Solid Waste not collected within 24 hours after the complaint is received.

In the event the Contractor does not collect units within 24 hours of the approved collection day and/or adequate personnel and equipment are not supplied in a timely manner in order to meet the terms of this contract, the Owners may, at its discretion, initiate any actions it deems necessary to ensure all units are collected in a timely manner as prescribed by this contract. Such actions may include, but are not limited to, hiring additional collection services from other companies, or providing its own personnel and equipment to bring the collection units and schedule back into compliance with the contract. In the event the Owners is required to provide additional support of personnel and equipment, the Owners shall deduct the cost of such action from the contract proceeds payable to the Contractor.

Contractor shall establish a written policy for addressing Subscriber complaints as well as a methodology for documenting said complaint, the resolution of that complaint, and the duration of time associated with said resolution. Contractor shall provide on a monthly basis to Owner a statistical summary and brief narrative of the nature of those complaints, as well as a list of Subscribers lodging said complaints. Owner expects Contractor to exercise a high degree of professionalism in the resolution of any Subscriber complaint. Likewise, the efficiency with which complaints are resolved, and the satisfaction of the Subscriber with Contractor's solution shall be a criteria by which Contractor shall be evaluated under this Agreement. Habitual poor response and/or resolution to Subscriber complaints shall be a basis for Owners termination of this Agreement.

7.5 Local Office

The Contractor shall maintain an office and telephone number in Tift County and shall at all times between the hours of 8:00 a.m. and 5:00 p.m. of each normal working day, excepting Saturday, Sunday and holidays, have an employee available at such telephone number with whom Subscribers, other City citizens and the City, its employees or agents may communicate to discuss or refer and complaint or inquiry regarding waste collection and disposal service provided hereunder. Such office and facility shall be equipped with sufficient telephones to adequately handle normal contacts from residential customers. Contractor shall provide approved and reliable communication equipment, such as radio or

telephone, for communication between all collection vehicles and the Owner's office.

7.6 Collection Equipment and Personnel

The Contractor shall provide an adequate number of standard waste collection vehicles properly licensed and permitted under state or federal law, rules or regulations, together with properly trained, licensed and permitted personnel, to provide waste collection services as required under the terms of the Agreement. All vehicles, cans, and other equipment shall be late model and specifically designed for collection of Residential Solid Waste material and shall have fully enclosed leak resistant compaction bodies. Vehicles and equipment shall be kept in good repair, appearance, and in a sanitary condition at all times. Each vehicle used by Contractor for performing the work hereunder shall have clearly visible on each side the name and telephone number of the Contractor. Contractor will require all of its employees and personnel to be courteous and considerate to all citizens. Employees shall wear uniforms or an identifying shirt that signifies that they are an employee of the Contractor.

Any damage caused by the Contractor or Contractor's equipment will be immediately corrected at the Contractor's expense. This includes fluid leaks of any type.

7.7 Hauling

All refuse hauled by the Contractor shall be so contained, tied, covered, or enclosed such that leaking, spilling, or blowing are prevented.

7.8 Access

The Contractor shall provide collection services to all Subscribers, residential or commercial, located on publicly owned or private roadways accessible to standard waste collection vehicles or at locations currently being utilized by Subscribers. Subscribers not accessible to standard waste collection vehicles or locations not currently being utilized by Subscribers, the Subscriber shall place Carts at an accessible location on a publicly-owned or private roadway agreed upon by the Subscriber and the Contractor. If Subscribers cannot place Carts or containers (or Residential Solid Waste material containerized in a manner acceptable to the Contractor for Collection) on publicly owned or private roadways accessible to standard waste collection vehicles or at locations currently being utilized by Subscribers, then the Contractor may offer to provide collection service at another location if the Subscriber agrees to compensate the Contractor for any additional costs incurred in providing such special service.

Contractor shall provide collection services for a Disabled Household by obtaining and transporting the Carts from the residence (i.e., "back door service") to the waste delivery vehicle.

7.9 Collection Day Changes:

There shall be no changes to collections days or schedules without written notice to Owners said notice to be provided no later than two weeks prior to the change in collection days or schedules. Owners must approve any changes in Contractor's collection schedule. Anytime there is an approved change day of collection, or other change that will impact Subscribers, the Contractor shall utilize newspaper notices and cart hangars to notify Subscribers.

8. EXTRAORDINARY MATERIALS

Hazardous waste, animal carcasses, construction debris (all as defined herein), body wastes, abandoned vehicles, and large equipment and parts will not be collected by the Contractor under the terms of this contract. The Contractor, however, may collect such items under private agreement with residents and light commercial customers.

9. COLLECTION RATES AND OTHER FEES

Collection rates and other fees associated with this Agreement are attached hereto as Addendum A. All rates set forth in Addendum A shall remain unchanged for three (3) calendar years from the execution of this Agreement. For this Agreement to be binding, Addendum A must also be executed by the Parties thereby confirming the rates set forth therein. Any change in rates that may be provided for under this Agreement three (3) years from execution shall only be valid through a properly executed Addendum, which is also approved in an open meeting by Owners.

The base rates for the collection of residential solid waste and commercial/industrial waste may be reconsidered at the expiration of the three (3) year rate freeze. The base rate may be adjusted in the fourth year of this Agreement to match the percent increase, if any, in the consumer price index published by the Bureau of Labor Statistics of the United States Department of Labor, all items, for Urban Wage Earners and Clerical Workers, (The "CPI"). However the increase shall be no more than 2% in any one year. In determining the percentage change, the base period shall be at all times the CPI as of the date of this Agreement. The base rate shall be those rates set forth on Addendum A.

10. DISPOSAL RATES:

Disposal rates and other fees set by Owner associated with this Agreement are attached hereto as Addendum B. All rates set forth in Addendum B shall remain unchanged for three (3) calendar years from the execution of this Agreement. However, if tipping fees or other charges increase then Contractor, at his discretion, may also increase his price to accommodate for these changes in its cost structure. Any increases that Contractor may pass on to Subscribers as a result of increased fees from Owner shall be limited to those agreed upon amounts as set forth at Addendum B. For this Agreement to be binding, Addendum B must also be executed by the Parties thereby confirming the rates set forth therein. Any change in rates that may be provided for under this Agreement three (3) years from execution shall only be valid through a properly executed Addendum, which is also approved in an open meeting by Owners. If Owner raises its tipping fees or other

ABB
[Signature]

charges within the three year Contractor rate freeze, the adjustments discussed herein shall not affect Contractor's right to adjust rates in the fourth and fifth years of this Agreement pursuant to appropriate changes in the CPI. The base rate in this context shall be the appropriately approved rates occurring in connection with any change in Owner tipping fees or expenses. If Owner increases its disposal rates, the following formula shall govern Contractors maximum rate increase as a result thereof:

RESIDENTIAL:

For every \$1.00 increase per ton tipping fee, Contractor may raise its residential monthly rate by \$0.12 per month per can.

COMMERCIAL:

For every \$1.00 increase per ton tipping fee, Contractor may raise its commercial rate by \$0.10 per yard.

11. CONTRACTOR INDEMNIFICATION

Contractor agrees to indemnify and hold harmless Owners and its subsidiaries and affiliates, and their respective directors, officers, agents and employees (the "Owners Indemnified Parties"), from and against any and all liabilities, losses, damages, costs, expenses and disbursements, including reasonable legal fees and expenses, arising out of any claim or loss of or damage to property and injuries to or death of any persons, including any Owners Indemnified Parties, caused (i) by the breach of any material term, covenant, agreement or undertaking herein of Contractor or (ii) by the negligence or willful misconduct of Contractor.

12. BILLING AND COLLECTION

Billing and collection from Residential Units and Light Commercial Units shall be the responsibility of the Owner. The collection and disposal costs to Subscribers will include \$1.00 per cart to cover the Owner's costs associated with billing and collections. The Contractor shall discount its charge to the City by \$1.00 per cart in consideration of the billing and collection being performed by the Owner. All complaints regarding billing shall be made directly to the City of Tifton. The City of Tifton shall give all complaints prompt and courteous attention.

13. INDEPENDENT CONTRACTOR STATUS AND CONTRACTOR PERSONNEL

The Contractor shall assign a qualified person or persons to be in charge of its performance of this contract.

The Contractor's collection employees shall wear a uniform or shirt bearing the Contractor's name, as well as, appropriate reflective safety wear.

Each employee, subcontractor or assignee of Contractor who drives a vehicle pursuant to his or her duties under this contract shall, at all times, carry a valid Georgia driver's license for the type of vehicle he or she is driving and possess all licenses and permits as may be required by state or federal law, rule or regulation.

The Contractor shall provide operating and safety training for all personnel.

No person shall be denied employment or services by the Contractor for reasons of age, race, sex, creed, religion, national origin or status of disability in violation of Federal or State law.

Services rendered by Contractor under this contract are not rendered as an Owners employee, and amounts paid under this contract do not constitute compensation paid to an employee. It is understood that the relationship of Contractor and the Owner is that of an independent contractor and the Owner does not retain control of the mode, manner and method of performance of the work associated with this Agreement. The services performed under this Agreement shall be performed in accordance with good and accepted industry practices for contract operators providing similar services in the Southeastern United States. The parties hereto expressly agree that Contractor, as an independent contractor, is not an Owner's agent or employee, and such as, is solely responsible for Contractor's own employment taxes, workers compensation premiums, and similar expenses and benefits. The Owner assumes no liability for the actions of Contractor or its agents or employees. This contract does not create any joint venture, partnership, undertaking, or business between the parties hereto, nor any rights or benefits to third parties.

14. OWNERS EMPLOYEES

The Contractor shall hire all Owner employees that currently provide collection services for Owner's collection and hauling operation. No employee shall be required to accept employment by Contractor. Said employment is mandatory provided these employees pass any pre-employment drug screen and criminal background check.

If hired, these employees will be paid at a rate equal to or higher than their current hourly rate. They shall also be provided those benefits set out in Addendum F.

These employees shall be guaranteed one year employment by Contractor provided their performance, conduct, attendance and other employment responsibilities are minimally satisfactory to Contractor. Any pre-textual and unsubstantiated basis for termination of any employees transferring employment under this Agreement shall be a basis for terminating this Agreement with Contractor.

15. PURCHASE OF EXISTING EQUIPMENT

Contractor will purchase all usable commercial containers and all usable 90-100 gallon carts from the City of Tifton and Tift County, Georgia for the lump sum of Seven Hundred Ten Thousand Dollars (\$710,000.00) paid by cashier's check made payable to the Tifton/Tift County Solid Waste Collection and Disposal Fund at the time of execution of this Agreement and will be responsible for delivery, pick-up and replacement of additional carts. The inventory of carts and commercial containers is attached hereto as Addendum C and D respectively.

Contractor will purchase all equipment at the recycling center as listed on Addendum E for the lump sum of one hundred twenty-five thousand dollars (\$125,000.00).

16. INSURANCE

Contractor shall maintain in full force and effect insurance of the type and in the amount set forth below. Contractor shall furnish to the Owner with its execution and delivery of the Agreement and at each annual anniversary of the date of the Agreement, or at any time upon the Owner’s request, certificates of insurance or other evidence satisfactory to the Owner to the effect that such insurance has been procured and is in force and certifying that the Owner shall receive 30 days’ notice prior to any modification, revocation, cancellation or non-renewal of said insurance. No such insurance coverages shall have retentions or deductibles of the insured in excess of \$10,000 per occurrence.

Coverages	Limits of Liability
Worker’s Compensation	Statutory
General Liability and Property Damage (except automobile)	\$1,000,000 per occurrence \$2,000,000 aggregate
Automobile Bodily Injury and Property Damage to Rented Building Liability	\$1,000,000.00 \$100,000.00
Excess Liability Umbrella	\$5,000,000 aggregate
Pollution and Environmental Liability Remediation Coverage	\$5,000,000 per occurrence and

The Owners shall be named as an “Additional Insured” on each such policy.

All insurance contracts or policies procured by Contractor pursuant to the above insurance schedule shall be in a form reasonably satisfactory to the Owner and shall be issued and maintained by insurance companies authorized to do business in the State of Georgia and reasonably acceptable to the Owner.

Any failure to provide such evidence of, or to maintain, insurance as required by this Section shall be grounds for termination of the Agreement.

Contractor shall not be permitted to purchase any policy that allows payment of claims where costs and expense of litigation will diminish the required limits purchased pursuant to this liability contract.

17. FORCE MAJEURE

From and after the commencement date, Contractor’s performance hereunder may be suspended and its obligations hereunder excused in the event and during the period that such performance is prevented by an Act of God or such other cause or causes beyond the reasonable control of Contractor unless such cause is a result of action or non-action by Contractor.

18. GUARANTEE / CERTIFICATION

The Contractor agrees to guarantee its actions pursuant to this agreement by providing to Owners either a performance bond acceptable to the Owners, or letters of personal

BBB
AAA

guarantee from the Contractor, or a letter of credit from a banking institution authorized to transact business in the State of Georgia and approved by the Owners.

19. TERMINATION

- (A) Each of the following shall be grounds for immediate termination of this Agreement by the Owner:
- a. Contractor violates any Environmental Law as defined in Section 1.7;
 - b. Contractor disposes of solid waste not in accordance with Section 4.1;
 - c. Contractor disposes of Yard Waste not in accordance with Section 4.2;
 - d. Contractor fails to provide and maintain required insurance coverage as provided in Section 16;
 - e. Contractor habitually demonstrates poor response and/or resolution to Subscriber complaints; or
 - f. Contractor makes a general assignment for the benefit of creditors, files a petition in bankruptcy, is adjudicated insolvent or bankrupt, petitions or applies to any tribunal for any custodian, receiver or trustee for it or any substantial part of its property, commences any proceeding relating to it under bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction whether now or hereinafter in effect, or if there shall have been filed any such proceeding, in which an order for relief is entered or which remains undismissed for a period of 60 days or more or if by any act indicates its consent to, approval of or acquiescence in any such petition, application or proceeding or order or relief or the appointment of any custodian, receiver or any trustee for it or any substantial part of its property or suffers such custodianship, receivership or trusteeship to continue un-dismissed for a period of 60 days or more.
 - g. Contractor fails to pay any undisputed amounts, including without limitation any undisputed Disposal Fee, within 30 days from the date the amount is due or
 - h. Contractor fails to observe and perform any other material term, covenant or agreement contained in this Agreement on its part to be performed and such failure continues for a period of 30 days after written notice to Contractor specifying the nature of such failure and requesting that it be remedied.
- (B) The Contractor may immediately terminate this Agreement in the event the Owner fails to observe and perform any material term, covenant or agreement contained in this Agreement on its part to be performed and such failure continues

for a period of 30 days after written notice to Owner specifying the nature of such failure and requesting that it be remedied.

20. EXCLUSIVE CONTRACT

The Contractor shall be the sole contractor of the Owners to provide collection and disposal of acceptable solid waste for and on behalf of the Owners under the terms of the contract for the Service Area as defined herein. The Contractor shall be the sole contractor of the Owners to provide collection and disposal of recyclable materials from Residential Premises and Residential Units utilizing recyclable carts. However, nothing contained herein shall prohibit Subscribers from the collection and disposal of recyclable materials generated from a Residential Unit. Collection and disposal of recyclable materials generated from Light Commercial Units, Multiple Residential Units utilizing bulk containers and Commercial Units may be collected and/or disposed of by any person or entity other than the Contractor including through an agreement with third parties.

21. NOTICE

A letter sent by certified United States mail to either party at the business addresses specified below shall be sufficient notice whenever required for any purpose in this contract. The addresses designated may be changed from time to time by written notice sent by certified U.S. mail as provided herein.

Contractor: Golden Environmental, LLC
21 Farmers Market Road
Tifton, Georgia 31794
(229) 256-2883

Owners: The City of Tifton
c/o City Manager
P.O. Box 229
Tifton, Georgia 31793
(229) 391-3937

22. MODIFICATION

This Contract, and all exhibits hereto, contains the entire agreement between the parties. There are no other promises or conditions between the parties, either oral or written. This contract supersedes any prior oral or written agreements or contracts between the parties.

This contract shall not be considered modified, altered, changed or amended in any respect unless in writing and signed by all parties hereto. No contractual modification shall be binding on Owners in the absence of a legal vote by their governing boards.

Notwithstanding the foregoing, the parties recognize that, through the implementation of this Agreement, conditions and circumstances may arise which were not anticipated or contemplated at the time of this Agreement. The parties agree to negotiate in good faith towards an amicable resolution of any issues that may arise during the term of this Agreement.

23. **ASSIGNMENT**

This Agreement may not be assigned or otherwise transferred without the express written consent of the parties.

24. **GOVERNING LAW / JURISDICTION**

This Contract shall be governed by the laws of the State of Georgia both as to interpretation and performance. Both parties agree that venue for any legal action pursuant to this Contract shall be in Tift County, Georgia.

IN WITNESS WHEREOF, this agreement has been executed in duplicate original on the date and year first above mentioned.

ADDENDUM F

Employee Benefits

- Based on the employee list provided in the request for proposal, each employee would continue at their current hourly rate or higher
- Average work week is 48 hours, with overtime paid over 40 hours at time and a half
- Golden Environmental provides uniforms at no cost to employees
- 6 paid holidays - New Years Day, Memorial Day, 4th of July, Labor Day, Thanksgiving and Christmas
- 5 paid vacation days for 0 - 5 years of service; 7 paid vacation days 6 - 9 years; additional 1/2 day per year for each year 10 and over
- 5 paid sick days
- 401k - 2013 match is 3.5%. Match amount is based on business success and is typically between 2.5 and 3.5%.
- Life insurance is available for purchase by the employee
- Christmas bonus, approximately of 1% of salary
- Vision insurance is available for purchase by the employee for approximately \$20/month
- Dental insurance is available for purchase by the employee for approximately \$25/month

Major Medical

Golden Environmental pays half of premiums for employees that choose health coverage. The employee chooses the level of health insurance (ie. individual, individual + spouse, family). I also mentioned that we have several insurance companies that provide health coverage, based on the health needs of the employee. These companies allow Golden Environmental to shop for the best coverage and premium based on individual health conditions.

All Current City Employees who become employees of Golden Environmental will maintain the same years of service that they have been employed by the City of Tifton as it pertains to accumulation of vacation days.
