FOR IMMEDIATE RELEASE: January 22, 2025

TIFTON, Georgia – City Offices will stay closed on Thursday as a result of snow accumulation and poor road conditions from Winter Storm Enzo.

Police, Fire, and Public Works will still report for duty as scheduled.

The accumulated snow is not expected to melt quickly amidst cold temperatures forecasted for Wednesday and Thursday. Streets in Tifton have turned to slush and it is anticipated that they will freeze over Wednesday night.

City Manager Larry Lawrence stated, "Hopefully everyone can return to work on Friday." He added, "Stay warm and safe!"
