

PRESS RELEASE

Figure 1: May's Downtown Support Local Mob

FOR IMMEDIATE RELEASE: JUNE 11, 2025

Downtown Tifton's Support Local Mob Floods Local Businesses with Patronage

TIFTON, Ga. – The Downtown Tifton Support Local Mob struck again for the second time in the downtown community on May 13th.

The Downtown Tifton Support Local Mob kicked off in April, and since then has contributed over \$740.00 to two businesses in the downtown community.

The Support Local Mob is an initiative, proudly hosted by the Main Street Program, to gather local community members, business owners, and partners together as they commit to

spending a minimum of \$10 each in a local downtown shop. The fun part is, this is a complete surprise for the business.

In April, the Support Local Mob visited Downtown Tifton's **The Sweet Shop**, and in May visited **Bob's Flowers**.

Each month, a Downtown Tifton business is selected to be "Support Local Mobbed," with a surprise visit of support.

The next Downtown Tifton Support Local Mob is scheduled for **June 17, 2025**. To get in on the surprise visit, please email Hillery Culpepper, Main Street Manager (hillery@downtowntifton.com) for details on how to join.

Downtown Tifton is thankful to the community members, fellow business owners, and city leaders for being proud members of the Support Local Mob.
